If you have the budget, you can use a screen recording application like Camtasia Studio to record PowerPoint presentations as video on your desktop.. You can upload PowerPoint videos to YouTube, Facebook, etc and some of your creations could go viral.. 2 You can transfer PowerPoint slides to an iPod or a mobile phone and enjoy the presentations while on the move even without a PowerPoint viewer app.. This process may take some time but you'll get an email notification as soon as your PowerPoint video is ready for download from the web.. There's more other than converting PPT to video, AuthorStream will also create a video podcast version of your presentation that can be directly imported into iTunes.. The conversion is not instant but definitely worth the wait And the quality of video created from PPT files is brilliant. 773a7aa168
